

# Assisted Living

Our community offers private studio apartments with spacious floor plans. Each apartment has its own kitchenette and appliances. The apartments can be personalized to your taste, so feel free to bring your favorite decor and add your own style and flair when decorating your new home. For your peace of mind, there is security personnel present 24/7.

## RIVERWALK | Private Studio | 320 Sq. Ft.

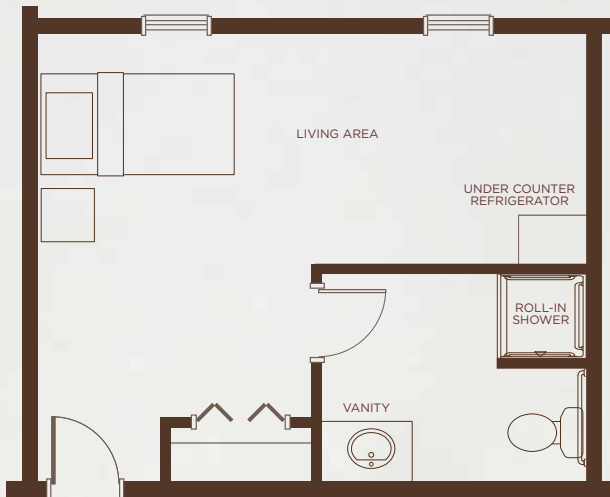

# Memory Care

Our community presents a just-like-home atmosphere, emphasizing the most important component of living arrangements - safety. Our community is designed specifically for those with Memory Care needs, providing not only an uncomplicated and easy-to-maneuver physical floor plan with cozy décor, but also a safe haven. All residences are strategically designed for comfort, and can be personalized with items that are familiar and comforting.
